

Venetian Blinds

PRODUCT
INFORMATION

Venetian Blinds have enjoyed a huge popularity increase in recent years due to their practicality and modern looks.

Aluminium Slats

Slat Widths: 15, 25, 35 & 50mm.

Extremely comprehensive colour range, with blinds fully colour co-ordinated.

Operation

Standard operation is cords for raising and lowering with a clear PVC wand to adjust the tilting mechanism.

The cord lock which enables the blind to be positioned at any desired height also incorporates an anti crash mechanism which stops the blind from lowering in a fast uncontrolled manner should the cords be operated incorrectly.

Normally the cords are situated on the right hand side of the blind with the tilt wand on the left but this can be varied if necessary.

Fitting and maximum sizes

Blinds are all made to measure and brackets are available for all configurations.

As well as the standard blind they can be adapted for double glazing and partition applications.

Maximum blind sizes are as follows;

15mm. slats 2590mm. wide x 2743mm. drop

25, 35, & 50mm slats 3048mm. wide x 3048mm. drop

Woodslat Venetian Blinds

Amongst the very best that are available in a market which is probably the most fashionable window covering item currently available.

Slatting and Colour Options

The blinds are available in 25 & 50mm. slat widths.

Comprehensive of range of 17 wood slat finishes, such as Antique Pine, Light Oak, Yew & Antique Mahogany etc.

The headrail is 51mm. wide x 57mm. deep and is supplied with colour co-ordinated pelmet as standard.

Operation

Standard control is by cords for both raise & lower and tilt functions, wand tilt control not being available for woodslat blinds.

The cord for tilting the slats is on the left hand side with the raise and lower cords on the right although this positioning can be varied if required.

All the cords and wooden acorns are colour co-ordinated, as are the ladder braids or ladder tapes.

Blinds can be supplied to meet the BS 5867 Part 2 Type B Flame retardancy standard.

Maximum size

2362mm. wide x 2438mm. drop
