

Heaters and Lighting for Awnings and Parasols

PRODUCT
INFORMATION

Various lighting and heating systems can be supplied to enhance the use of Awnings and Parasols.

The Storelight unit can be fitted to the PR Series, CA 430, LX 530 and Duostore Awnings.

This unit can be fitted with lights or both lights and heating.

Separate infra red heating units can also be fitted directly to the wall where space permits.
